

Kern County Board of Supervisors

We were happy to support our member, The Tejon Indian Tribe at the Kern County Board of Supervisors meeting last week. We know a project of this size will have a huge impact on our county, which would include up to 1,500 new jobs. When you add all this up, the project stands to employ from the first turn of dirt to grand opening well over 5,000 jobs at a cost of \$600 million! Such great news, congrats again [Tejon Indian Tribe](#) and Hard Rock Hotel and Casino!
